

Calendar of Events April 2024

**** It is important for all activity participants to register via text or phone call to the nominated Trip Leader, at least 2 days prior to the activity. It may be necessary to change details of the event at short notice and this enables the leader to ensure that all registered participants are notified about any change.**

- The Club Facebook page often contains additional impromptu walks and activities.
- Additional details and descriptions of events will be provided in the Club newsletter as the event nears.
